The surrounding pavements have been widened and the surrounding public realm enhanced, to improve circulation and accessibility. This unified streetscape now ensures people, rather than the car, come first.

SEXY FISH IS THE ASIAN RESTAURANT AND BAR WHERE EVERYTHING IS LARGER THAN LIFE. WITH A MENU CURATED BY CHEF PRODIGY BJOERN WEISSGERBER, SEXY FISH OOZES MAYFAIR GLAMOUR AND STYLE

THE BIG FISH

Located on the south east corner of Berkeley Square in the heart of London's prestigious Mayfair, Sexy Fish opened to a fanfare of anticipation in 2015. Masterfully designed with the style and sophistication of a mid-century brasserie by Martin Brudnizki Design Studio and imaginatively brought to life with artwork from Frank Gehry, Damien Hirst and Michael Roberts, the look and feel is exquisitely glamorous and opulent. The Coral Reef Room provides exclusive private dining on the lower ground floor whilst the 140 cover restaurant, bar and terrace are all situated on the ground floor. With a focus on Japan, the food takes its inspiration

from the seas of Asia. The Bar reportedly holds the world's largest Japanese whiskies collection at 400 bottles, as well as offering a hard-to-resist cocktail list.

Energetic and inspiring, Chef Bjoern Weissgerber's is a true master with an extraordinary range of culinary artistry – from traditional to modern, from German to French, from creatively experimental to Japanese contemporary. He earned his own Michelin star at the tender age of 27 when he was running Ca's Puers in Mallorca in 2002. This eccentric German-Swede ethos is simple. As a man who loves to eat, he believes in creating healthy food that tastes good and looks Sexy.

WITH ART BY DAMIEN HIRST, FRANK GEHRY AND MICHAEL ROBERTS, THE LOOK AND FEEL IS EXQUISITELY GLAMOROUS AND OPULENT.

FOUNDED BY ENZO
FERRARI IN 1939,
THE CAR WITH THE
'PRANCING HORSE'
BADGE HAS BEEN
THE OBJECT OF
DESIRE SINCE 1947

Since 1947, when Enzo Ferrari's first car, the 125s, drove through the historic factory gates on Via Abetone Inferiore in Maranello, Ferrari has epitomised the very best of the Italian automotive industry - heritage and passion, style and elegance, speed and power. It is a brand that represents and reflects the character of a nation and is as symbolic of Italy as are pasta, opera and the Colosseum in Rome.

This legacy is now on show at Ferrari's new Berkeley Square showroom. Here, servicing and selling cars is not a job. It is a passion. This extraordinary experiential space is run by people who have lived and breathed this quintessential Italian brand for years.

From the 125S of 1947 to today's 488 Pista, Ferrari cars have always been uncompromising in their pursuit of performance and excellence. This new showroom provides equally uncompromising service. If you own, love or covet Ferrari, you will always be welcome.

FERRARI IS NOW IN THE HEART OF LONDON'S MAYFAIR.
JOINING THE LIKES OF BUGATTI AND BENTLEY, THIS
ULTIMATE SUPERCAR BRAND NOW RESTS PROUDLY IN THE
SPIRITUAL HOME OF H.R. OWEN ON BERKELEY SQUARE.
